

Creative Development

Art- Exploring colour and drawing techniques linked to the Oliver Jeffers stories.

Music- The children will be using percussion instruments to create their sounds and rhythms.

Communication, Language and Literacy

We are focusing on the stories written by Oliver Jeffers, retelling the stories, investigating the characters and rewriting our own versions. We will look at writing recipes, reports and instructions based around the story.

We will be having phonics sessions every day, learning how to say, spell and use different sounds. Please read at home as often as possible!

Problem Solving, Reasoning and Numeracy

Year 2 will be focusing on a range of maths skills. We are finding out how to show our learning in maths books while we learn about place value, number facts and our times tables.

We will have maths homework every other week, given out on Friday and due in the following Friday. There will also be weekly times table homework, tested on a Friday morning.

Knowledge and Understanding of the World

Science- Year 2 will be learning about the world around us; the plants and animals in our local area and what they need to survive.

ICT- We will be learning how to use and edit pictures and images and input algorithms onto the computer.

RE- Year 2 will be learning about the Bible and the stories that Jesus told.

History - We will be looking into British History, thinking about the different Kings and Queens.

Geography - Year 2 will be learning about the UK, naming the capital cities, countries and the seas surrounding us.

Who's In The Book?

Physical development

The children will complete sessions around controlling and propelling objects, where they will be using a range of different resources.

Personal and social development

This term, we will be focusing on 'New Beginnings', thinking about what we are good at and how we can make our world a good place to live.
