

Creative development

In Art we will be creating our own illuminated letters inspired by the Lindisfarne Gospels.

In DT with Miss Murphy, we will be creating our own pieces of Anglo-Saxon jewellery or armour.

Communication language and literacy

In English we will be reading 'Beowulf', as written by Michael Morpurgo. We will be thinking about inference, and writing descriptively, including writing a legend of our own and a newspaper article.

Problem solving, reasoning and numeracy.

This term we will be looking at the written methods of multiplication and division, and applying these to problems involving several operations or steps. We will be doing lots of open-ended problems using trial and error, and 'acting out' to find solutions.

Knowledge and understanding of the world

In Computing the children will be creating their own websites about the Anglo-Saxons

R.E - We will be learning about Mary's role in the Christmas story, and how Christmas is celebrated by Christians around the world.

Science: In science, we will be continuing our fantastic Empiribox learning, investigating chemical reactions in our own experiments, and focussing on collecting valuable data.

THE ANGLO-SAXONS
Term 2

Physical development

P.E will mostly be on Wednesday mornings and Friday afternoons, but please make sure your child has their PE kit in school every day of the week, as the timetable may change. This term we will be learning how to control our bodies' movements and balance through gymnastics.

Personal and social development

In PSHEe we will be looking at how to stay safe online. We will be thinking about our online presence, sharing safely and how to be kind and supportive to each other.
