

Communication, Language and Literacy

We will be studying a TV series and will use it to create our own information texts. Towards the end of the term we will be using it to create our own character descriptions to help create our own Stone Age story!

We will be having 4 phonics sessions per week, learning how to say, spell and use different sounds.

Creative Development

D & T- We will start by looking at different food types, then move onto creating our own healthy food, Mr Newlands style!

Problem Solving, Reasoning and Numeracy

Year 2 will continue to deepen our understanding of multiplication and division. We will also be recapping over what we have learnt so far in Year 2.

Maths homework is given out fortnightly and times tables are given out weekly.

Homework is due in on a Friday. Please make sure the times table folder is in school!

Stone Age to Iron Age

Knowledge and Understanding of the World

Science- Year 2 will be looking at different materials, understanding their properties and their uses.

ICT- We will be looking at how programs control toys and how they only do what the programs tell them to do.

RE- We will begin by learning about different Christian Saints and reflecting on what they have done and how we could use these ideas to help guide us.

Physical development

The children will be developing their team work skills by playing a variety of different hitting and striking games.

Personal and social development

This term, we will continue focusing on keeping healthy and being safe. We will be looking at how illnesses are spread and understand the uses of medicine.
