

Creative development

In Art/ D&T we will be looking at creating our own Cartouches with our names on in Hieroglyphics. We will also be creating our very own Ancient Egyptian 'Death Masks'.

Communication language and literacy

In Literacy we will be using both 'Temple Cat' by Andrew Clements and 'Tomb of the Boy King' by John Frank to explore different ways of writing and telling stories.

Year 5

Problem solving, reasoning and numeracy.

We will be looking at number skills this term, including mental calculations and written methods, and using these to solve a range of problems. We will also be focusing on our understanding of different kinds of numbers and place value.

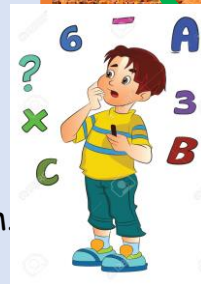

Knowledge and understanding of the world

R.E: This term Year 5 are focusing on 'How the Church began', and 'What in the world are Christians doing today?'

Science: This term we will be journeying through space in our new topic 'Earth, Space and Beyond- learning about the Solar System.

History: We will be exploring the Ancient World of Egypt- This will include going on a trip to the Brighton Museum to uncover more secrets about the ways they would have lived their lives.

Geography: We will be looking at the River Nile, and comparing it to the 'Rivers of the UK'.

Ancient Egypt Term 5

Physical development

P.E will mostly be on Monday mornings and Friday afternoons, but please make sure your child has their PE kit in school every day of the week, as the timetable may change. This term we will be doing field sports including cricket and rounders.

Personal and social development

In PSHEe we will be focusing on 'Financial Awareness' and will have staff from Metro Bank coming in to support our learning. We will also be starting to look at different types of relationships.
