We have had a really positive start to the term; it has been so lovely to welcome back children and parents and meet some new ones too! The children have been so happy and enthusiastic and settled really quickly.

I'd like to say a special welcome to Mr Williams who has joined the teaching team as Year 4 teacher.

Thank you so much to parents who have approached me in the playground to say hello and to give feedback on the return to school and the information received beforehand too. Your comments and support are always appreciated.

Just a reminder that if you would like to communicate with your child's teacher, we are continuing to use the class email accounts and hope you find this helpful.

This weekend, St John's Church are holding their annual 'Education Sunday' service, where they will pray especially for all those involved in education and children's work but also specifically for our school. A short video from our school is included (which should be viewable on line if you would like to see it). Also, a message from our Chair of Governors Linda Caroe which might especially be of interest to anyone considering contributing to our school through governance.

Have a lovely weekend!
