European day of Languages!

In celebration of the wonderful diversity within our school community, we celebrated the 28+ world languages spoken by St John's Meads children, staff and families.

There is a great video on WEDUC showcasing some of these languages - thank you to everyone for taking part!

Challenge: Please write your favourite word or phrase in another language (and what it means) on a post it, coloured paper or poster. We will make a display of all of these shared interesting/unique/funny words.

Flu Vaccinations Reminder – 11th October

If you haven't yet completed the consent form and would like your child to receive the seasonal flu vaccination in school there is still time to register online.

The online consent form is available for completion until 11am four working days before the session date above. There are simplified instructions attached on how to consent for a vaccination. However, if you have any difficulties completing this online form, please contact your local Immunisation team before the cut off date, using the telephone number provided in the attached letter or below. **If you miss the cut off time to complete the consent form, we will not be able to vaccinate your child in school on the day of the vaccination session.** The consent form will reopen one working day after the session, enabling you to submit a form for your child to be offered the vaccination at a later date, within one of our catch up clinics.

Your online consent form closes at 11am 4 working days before your session date, which can be found in the accompanying email from your child's school.

Click on the following the link: www.susseximmunisations.co.uk/Forms/Flu

Enter and confirm your preferred email address – you will receive a confirmation email following submission of the consent form.

Complete and submit the consent form, indicating your choice of consent –

Please ensure you provide the child's registered address and GP.

School Council

School Council went to the field to start work on the sensory corner. They planned this area and raised money for it last year with a bake sale and a mufti day! This week, we hung wind chimes, discussed the best trees for bird boxes and started our tyre planters.

We also enjoyed seeing the new bench donated by East Dean Church as a thank you for the St John's Meads art work displayed there last year. Well done School Council for all your hard work this afternoon. One more session and we hope to have the area completed! If anyone would like to decorate a stone to add some colour to the area, please do! Hand it in to Mrs Foster or Mrs Grout.
