This Week

Celebrating Languages at St John's Meads!

In Monday's assembly we celebrated the many diverse languages spoken within our school community. We asked children who speak another language to bring something in - such as a word, book, item of clothing, instrument, etc. - to share with their class in a circle time this Friday.

A huge thank you to Richard, Nina, Max, Miss D, Sophia, Sophie, Ting Ting, Aliya, Sasha, Zoya and Elizabeth for teaching us about the languages they speak. Some snippets from the assembly can be heard on the Notice posted by Mrs Cork on WEDUC!

On Tuesday 23rd November the school will be taking part in the NHS Flu Nasal Spray Vaccination Programme.

This programme is for all year groups from Reception Class to Year 6.

A letter was sent via WEDUC to parents and carers to complete the steps to consent to the vaccine. The consent form is online and closes at 11am, 5 days before the date of the vaccination session in school which is 23rd November 2021.

If any parents or carers would like to have this letter printed, please contact the school office.

Here is a link to the Consent Form <https://www.susseximmunisations.co.uk/Forms/Flu>

You will need to enter and confirm your preferred email address and you will receive a confirmation email following submission of the consent form.

Enter the School Code: **SX114576**

Complete and submit the consent form, indicating your choice of consent: Please ensure you provide your child's registered address and GP.

Year 5 Forest School

Another wonderful and very busy afternoon at Forest School! The children learnt how to weave 'Gods Eyes', do Japanese leaf printing, build dens with tarpaulins, make creations out of clay and dye cloth using natural sources. Well done everyone!

Year 1 Science

In science this week we all managed to beat the big bad hairdryer! Our houses managed to stay up! The children worked really well as teams and managed to use the resources to build these wonderful structures. Well done Year One!
