Achievements

Charlie in Reception Year has been successful in achieving a modelling part for a TV company. Great work!

Henry in Year 4 raised a fantastic £50 for BBC Children in Need following his 1 hr Legothon. Henry said "it was very hard, because I had to think new bits to add to keep going for a whole hour. I got a really really big sign that told me I had raised £50." Well done Henry!

Children across the school have been working incredibly hard this week to earn points for their class in the Mathletics week competition.

The competition runs until Sunday 22nd November so there's still time to earn a few more points before the winners are announced next week. Good luck to everybody and keep up the wonderful maths work!

Forest School Visit—Year 5

Year 5 were thrilled to begin their Forest School sessions this week. Their first session involved setting up a "Base Camp", looking around the area for familiar species, and playing some fun games. They found a particularly cute spider, which they named Stig and invented a "Stig Salute" for. I think the highlight might have been having a hot chocolate and a biscuit break though!

Friday Fun Run—Great Ormond Street

**GREAT
ORMOND
STREET
HOSPITAL
CHARITY**

This Friday all Year groups took part in a 2.5km race around the school field to raise money for Great Ormond Street Hospital Charity. Thank you for your support and donations made so far. Our target sum was £200 and you have totally blown us away by raising an enormous £709 and rising.

If you would still like to donate, you can do so by heading to the Just Giving fundraising page here <https://www.justgiving.com/crowdfunding/>

Anti Bullying Week 16-20 November

In the anti-bullying assembly on Monday with Mrs Weeks, children focussed on 'what makes a good friend'. They were reminded about their support network of 5 people that they identified they would speak to if they were worried about something (when we did the 'Big Anti Bullying assembly 2020' in September). The school's child friendly anti-bullying leaflet (in draft form) which was worked on by the school council last year was shared and classes will give input to this for the final version.

In class, Year 4 shared their thoughts on what they would do if they saw someone being bullied

Year 5 Narnia Baking

We have some Junior MasterChefs and Star Bakers in the making in Year 5! This week the class tried their hands at making some rock cakes, which turned out very well! They were inspired by Mr Tumnus' Tea Cakes from our class text The Lion, The Witch and The Wardrobe.
