## Out of School Achievements

Congratulations to Felicity (Y1) who has achieved her 100 and 200 metre swimming badge with Swim England and Priya (Y5) received a certificate for participating in the CACL Eastbourne Gymnastics competition.

We love to hear about what the children are achieving outside of school so do please let us know. You can email information and pictures to the office on [office@sim.academy](mailto:office@sim.academy) and we can include them in our celebration assembly on a Friday and the newsletter.

## Packed Lunch Reminder

Please could we remind you that packed lunches must NOT contain anything that has nuts in it - this includes Chocolate spread and we would ask that you carefully check the packaging before allowing it to come into school.

It is vital that we keep our children safe and appreciate your co-operation in this matter.

## Pen Recycling

The School Council are focusing on looking after our environment for the next few terms. We have found a company that will recycle all sorts of pens.

If you are having a sort out at home and come across any dried out pens, please send them in with your child to add to the recycling box, which is being set up in each class. The following types of pens they will recycle.

### ♻️ Recycle with TerraCycle

✓ Ballpoint, gel and fountain pens

✓ Correction instruments (bottles, tape and pens)

✓ Felt tips and highlighters

✓ Whiteboard and permanent markers

## Chinese New Year Themed Lunch

On Tuesday 24<sup>th</sup> January we will be celebrating Chinese New Year with a themed lunch. This will NOT be showing on the Parent Pay menu choices so if you would like your child to have the lunch then please book the main meal. The options are Chinese Chicken Noodles (if your child would like this option then book Pork Sausage and Mash) or Vegetarian Rice (Book Sweet Chilli Vegetable Noodles). Jacket Potatoes will still be an option on this day.

## NSPCC Numbers Day

Friday 3rd February is NSPCC Number Day.

All classes will be joining in with fun maths activities and we are asking children to dress up in a number related outfit. You can be as creative as you like or go for something simple like a t-shirt with a number on it!

Part of the day is to raise awareness and support for the NSPCC. With this in mind, we have set up a 'just giving' page. If you are able to make a donation to this amazing charity then please click the following link - [Number Day Just Giving Link](#)

## Year 4 Learning about Croatia

Thank you so much to Mr Loncarevic who came in to teach Year 4 about Croatia this week!

The class learnt about some of the country's history, geography, cuisine and much more. They got to practice speaking a few words in Croatian and found out that Croatia officially adopted the Euro just recently on January 1st!

We would LOVE to welcome more family members from other countries and cultures to share their knowledge with us. Please email Mrs Cork - [lcork@sjm.academy](mailto:lcork@sjm.academy) if you are interested in visiting us.
