Day 2022

We will be celebrating the national **NSPCC Number Day on Friday February 4th**. The children will be doing lots of number based activities in their classes and around the school. The school will be donating to the NSPCC we will not be asking for donations from parent/carers.

We would love for the children to come to school dressed in a number inspired outfit!

This could be as simple as wearing a top your child already has with a number on it or you could spend some time embellishing an old t-shirt.

Be as creative as you like!

We look forward to celebrating all things number with the children!

This week—Outdoor Learning

What a lovely afternoon at Forest School! Year 5 started work on our 'Bug Hotel', made wind chimes, did mark making with natural objects to see the different textures and patterns we could make, made dens for little toys, picked up litter, made a fire and roasted marshmallows! Thank you to all of you for sending in bits and pieces over the last week! And a huge thank you our volunteers today. We couldn't do it without you!

As part of our RE learning about the Creation story, Reception Class made natural mobiles using plants, flowers and other natural objects found in the school field.

St John's Church, Alpha Course

Wondering about some of life's bigger questions?

Wanting to look more closely at faith?

Millions of people around the world have explored these issues on an Alpha Course. It's free and there's no high-pressure sales techniques – just a warm, friendly relaxed chance to ask questions and delve deeper.

Sign up here: <https://stjohnsmeads.churchsuite.com/groups/7fn4qz7a>

or to find out more email the church office: office@stjm.org.uk

The next St John's Alpha Course begins on Sunday 13 February. It will run each Sunday for eight weeks, finishing on Sunday 3 April.

Each session runs from 10am to 11am in the Pauling Room, to the side of the main church building. The sessions will take place at the same time as the 10am church service, so anyone on the course with children can bring them along. The youngsters can stay with our creche/children's/youth teams until the session has finished.

Each session will begin with drinks and snacks. Next, we will watch a short film and then talk about what we have seen.

This is a great opportunity to come along and find out more. This is also a great opportunity to invite your friends, family & neighbours along.
