3rd February – NSPCC Numbers day

10th February Last Day of Term

20th February INSET DAY

21st February First Day of Term 4

House Points Winners TOPAZ

Celebration Assembly

Year 2 Special visitor

We had a very special visitor in Year 2 at the end of last week.

Radish, the guinea pig! Ella's mum came to tell us all about being a zookeeper and the children got to touch snake skins, a peacock feather and porcupine spines. Best of all, the children were allowed to stroke and hold Radish! Thank you to Mrs Farley for a fun-filled Friday morning

Herstmonceux Science Centre Trip

What a brilliant day Year 5 had at Herstmonceux Science Centre! The children were amazingly behaved and learnt so much through play, exploring, a telescope tour, a robot workshop and a science show!

Thank you to all the wonderful helpers who came along.

Pen Recycling

The School Council are focusing on looking after our environment for the next few terms. We have found a company that will recycle all sorts of pens.

If you are having a sort out at home and come across any dried out pens, please send them in with your child to add to the recycling box, which is being set up in each class. The following types of pens they will recycle.

♻️ Recycle with TerraCycle

Chinese New Year Themed Lunch

On Tuesday 24th January we celebrated Chinese New Year with a themed lunch.

The Children enjoyed Chinese Chicken Noodles or Vegetarian Rice.

Spring Planting

Reception had great fun shovelling and levelling out soil in our planter this afternoon! Next week we are going to top up with a little more soil, then plant some bulbs! We looked at pictures of bulbs (not light bulbs!) and compared them to seeds. We are excited to see what will grow from bulbs in our planter! We also found some snails!

Stage Fighting

We had an amazing time learning stage fighting with Freddie's Dad this afternoon! Everyone joined in brilliantly and responsibly keeping safe and having fun learning this new skill. Thank you so much to Mr Rivett for a great afternoon and thanks to those who sent in swords for us to use.

NSPCC Numbers Day

Friday 3rd February is NSPCC Number Day.

All classes will be joining in with fun maths activities and we are asking children to dress up in a number related outfit. You can be as creative as you like or go for something simple like a t-shirt with a number on it!

Part of the day is to raise awareness and support for the NSPCC. With this in mind, we have set up a 'just giving' page. If you are able to make a donation to this amazing charity then please click the following link - [Number Day Just Giving Link](#)

Year 6 Buddy Reading with Reception

Thank you so much Year 6 for our fabulous buddy reading session this afternoon! Reception absolutely LOVED it and thank you so much for helping them choose a library book to take home! We look forward to seeing you again next Friday!

Coming soon

A reading shed? In the Zone? Watch this space and all will be revealed!
