# This week

Year 3 had a great time mapping their local area on Thursday for their Geography field trip! They have all made some excellent sketch maps with brilliant keys and symbols - well done Year 3!

Reception enjoyed their Pastoral Care session on Wednesday morning, learning about positivity and some of the star qualities that we have. They also enjoyed thinking about the emotions linked to our Zones of Regulation characters.

Girls from Year 3 and 4 had an amazing time at Bedes school on Thursday for an afternoon session of football run by ex-professional football player Kellie Larkin. They represented our school brilliantly and Bedes were super impressed with their positivity, determination and sportsmanship!
