Reception Class meet Claire Cashmore—Paralympic Athlete

This afternoon, Reception got to meet Claire Cashmore. Claire is a Paralympic athlete who takes part in the triathlon. She was born with a limb different and is an ambassador for the charity Reach. This is one of the charities we are hoping to raise money for as part of our whole school fun run on Thursday.

Claire encouraged the children to never give up on a dream and to never say "I can't do it" but to always say "I can't do it YET!" Claire is also the author of the picture book *Splash*, a story about overcoming her fear of water as a young child. Reception got to ask her lots of questions and we found out that she keeps her Paralympic medals in a clean sock in her drawer!

A huge thanks to Claire for taking the time to speak to us and to inspire us with her perseverance and determination to achieve her goals.

Wednesday 9th February: Breakfast Fun

We had a puzzle-themed morning at breakfast club today, working as a team to complete these fun jigsaws!

Another lovely afternoon at Forest School for Year 5! The Bug Hotel is now finished and open for business! We hope lots of bugs move in soon! We also made our own little Bug Hotels to take home. We worked hard to light the fire, made some leaf art and cleared up a lot of litter on the field!

Tuesday 8th February Chinese New Year—Year 2

Thank you so much to Mrs Wang who came in this morning to teach Year 2 all about China and Chinese New Year!

Did you know that Chinese New Year is celebrated for 15 days and that we are now in the year of the Tiger? The twelve animals took part in a race that determined their order in the Chinese Zodiac. Year 2 learnt about how New Year is celebrated, the tradition of putting money in dumplings, and how to say 'ni hao'.

Xièxiè, Mrs Wang!
謝謝

Tuesday 8th February—Safer Internet Day

Yesterday, all classes discussed and learnt about how to stay safe online. The theme of this year's Safer Internet Day is 'respect and relationships online'. Here are some snips from the KS1 and KS2 assemblies.

If you're online and no one knows who you are, can you behave however you want?

How do you have fun online?
