Smart Communication

We plan to launch the Weduc app early next week. Please look out for an **Enrolment letter** which will give you all the information you need to set up the Weduc app on your mobile phone with your secure username and password.

We are starting to build the amount of information on the app but it will take time.

For the first two weeks of the launch we will use Weduc to send you messages by email and newsfeeds. We will continue to use Parentmail for our booking for Breakfast and Late Birds until 28th May. Weduc will then be operational for Breakfast/Late Birds and for payments and consents for trips and visits (as they come up). Weduc will be fully operational by 7th June.

# Year One—What a mess

On Thursday, Year 1 had a 'smelly' science lesson involving some pretend 'animal mess'. The children investigated and discovered which mess was from a carnivore, herbivore or omnivore!

Here are some photos from our exciting lesson!

# NSPCC Number Day 2021

What a brilliant effort! So lovely to see so many colourful representations of numbers today. Thank you for your generous donations so far. There's still time to donate to NSPCC on our school Just Giving page if you would like to. <https://www.justgiving.com/fundraising/st-john-s-meads-ce-primary-school>
