**This Week...** This week has been a very busy week in school and we have been fortunate to have had such lovely weather for all the activities. Year 6 spent three days at PGL Windmill Hill for a residential visit. They settled into their rooms on Sunday night and got to know their surroundings. They took part in some fantastic activities including raft building, abseiling and a sensory trail. They behaved brilliantly and had a wonderful time. Miss Teager said the children were a real credit to our school; Mrs Linsell said she enjoyed the food and Mr Jackson (school governor) said it was the best trip he'd been on.

Year 2 visited Drusillas Zoo and Mr Newlands had a great time with the meerkats! The children loved it too, of course. Reception Class took a trip to Middle Farm (pictures next week), Year 1 visited our local beach and enjoyed some creative artwork using the pebbles and sand and then completed a treasure hunt of objects found on the beach.

Years 3 and Year 4 took part in a Science Day and became scientists (with some children in Year 4 also dressing up) and spent the day learning the processes and skills of investigation.

Year 4 have also been studying the opera Carmen and performed brilliantly to their families on Friday afternoon. Well done everyone and thank you to all the parents, carers and governors who were able to join us.

## Faith in the Family

This week we've been thinking about the Ascension of Jesus. Rev Ben shared about the miraculous flying of the bumble bee and how seeing something helps us believe in impossible things. The disciples saw Jesus return to heaven - what a miraculous sight that must have been. I wonder what miraculous sights help you to believe in Jesus? Why not go on a 'miracle' treasure hunt over half term and see how many miraculous things point to Jesus and help you believe in him. Have fun.
