Heatwave - Information for parents and carers

You will all be aware that the weather has turned very warm this week! We have a heatwave approaching and will take this opportunity to ask that children have all the following items in school to ensure that they can enjoy school activities as usual.

A water bottle

A Sun Hat

Summer Uniform - ie - juniors do not need to wear ties!

High factor sun-cream please put this on before school. Older children may bring their sun-cream to school if they are able to put it on themselves.

An additional request for donations of boxes of tissues to school for the classes if possible.

Many thanks for your support and we look forward to some lovely weather this weekend.

School Lunches—Parent Pay

ParentPay - Advance booking and payment for school lunches

This is a note to remind all parents and carers to book school lunches in advance. Parents of KS2 children (Years 3,4,5 & 6) need to make a payment with the lunch booking (unless the child is entitled to a free school meal). The price of a meal is £2.20.

School Staff are not permitted to book a child's meal on ParentPay if that child's meal has not been pre-booked and the child has not brought a packed lunch. Instead a call or text will be made to the parent/carer to ask them to bring in a packed lunch for their child.

The cut off time for booking a lunch on ParentPay is 8.30am.

Parents of KS1 children (Reception, Y1 & Y2) do not need to pay for school lunches. However, please book your child's lunch online through the ParentPay system if you are planning for your child to have a school lunch and you have not provided them with a packed lunch.

Thank you for your support.

Please do not hesitate to contact the school office for any clarification regarding booking on ParentPay.

This Week

We welcomed the Open The Book team back to school. Today's story was about how Paul travelled far and wide to tell people about Jesus, and continued to do so even after being arrested and shipwrecked.

Year 6 had a fantastic morning at The Towner gallery. They were allowed special access to the collections and spent time creating their own work inspired by some of the pieces they saw.

What a busy day the Year R class Pirates had for their Reception Pirate Day! They met Pirate Pete on the school field and helped him to find his lost treasure. They also asked lots of questions about what it might be like to be a pirate and in the afternoon completed lots of 'Piratey' activities and games. Well done Reception on a great day.. Arghhh!
