This Week

Year 1 had a fantastic morning at Holywell Beach, where we met Rosie, Mike and Mark from Sussex Wildlife Trust. We started by building towers out of stones, everyone did so well we couldn't choose a winner. Some of the boys made their tower into an engineering project. We then set off to the rock pools, armed with nets and buckets. It was quite muddy and slippery around the rock pools (some children found that out more than others!) The children explored the shallows and found crabs, whelks, sea anemones, limpets, shrimps and even a baby flat fish, to name but a few!

At the end of the session, we had a look at what we had all found, then the leaders put everything back in the sea. We thoroughly enjoyed ourselves in and out of the rock pools. The children came back to school, weary, wet and windswept but all had had a great time. Day 2 of Beach School, I will be asking everyone to bring a change of clothes!

Until next time! Enjoy the photos!

School Council Cake Sale

Thank you to our Parents and Carers for the amazing cakes for our School Council Bake Sale. £127.25 was raised today after school .

Well done to our helpers selling the cakes! Mahan (YR), Athos (Y1), William L. (Y2) Hermione (Y3), Priya (Y4)

The funds raised will go towards the outdoor learning area on the school field.

Thank you Mrs Foster, Mrs Grout and the School Council

Baton of Hope Relay

A number of schools in the town have participated in a 'Baton of Hope Relay'. It's not a race, it's a passing of a baton and a hope themed piece of art work. Children from Cavendish visited us yesterday to pass the baton and their art work-a tree made with every child's fingerprint. Today Matthew, Stella and Mahan took our artwork to Gildredge House. Our piece includes a heart and rainbow (both symbols of hope) and the letters are decorated with our children's drawings of hope using 'modge podge'.
