NSPCC

This week in Reception, we talked about 'The Pants Rule' as part of our PSED learning, and we sang

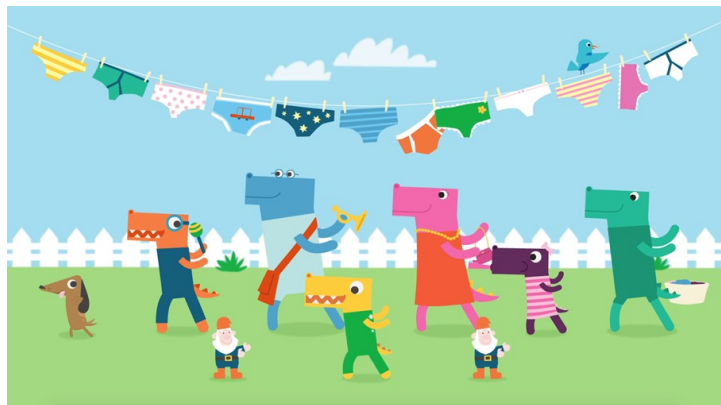

along to a catchy [song](#) to help us remember that our private parts are private. It would be a great time to talk a bit more to your child about this at home. For more information (and to find the song), please do follow the link below.

What are the PANTS rules?

- Privates are private
- Always remember your body belongs to you
- No means no
- Talk about secrets that upset you
- Speak up, someone can help

Year 2 Litter Picking

Who would have thought litter picking could be so fun?! The remaining geography groups went out to complete their fieldwork investigation today. Next, we will present our data and find out, 'Is litter a problem in our area?' .
