After School Clubs:

Please note that After School Clubs will not begin until week commencing Monday 17th September. This is with the exception of Zyllo Drama which will begin on Tuesday 11th September.

School Lunches

Baguettes are no longer an option on the menu, please choose either the main, vegetarian or jacket potato options.

This Week...

I'm delighted to finally be able to introduce myself as your new Headteacher. As I was appointed in February, it has seemed like a very long wait!

At the time of writing this, I've been here less than a week but I've received such an overwhelmingly warm welcome that I already feel at home and part of the school family. Thank you so much.

As part of our INSET, and first assembly, staff, governors and children shared their ideas as to what is great about St. John's Meads Church of England Primary School:

singing
school dinners
Downs beach
choir clubs ethos
location
supportive parents
Rainbow Vision music
church climbing wall
art
friends
Christian

Inevitably, there will be changes as we develop the school together but it is important to recognise and retain things which give the school its unique identity.

I'm really looking forward to getting to know all the children and families better.

Please check the planned events for opportunities to meet me (if you'd like to) or come and have a chat in the playground. I'd love to know why you chose St. John's Meads for your child and your ideas for the school's future.

Katherin Weeks
