This Week...

I could not let this week pass without acknowledging all of the hard work of the 'Friends' in organising the wonderful Vintage Tea Party which took place last Friday. The weather held out to enable families to enjoy face painting, food and games together in a safe environment.

The friends would like me to extend their thanks to everyone who supported the event by attending. A total of £503.20 was raised which will be used to support future events and upcoming school projects.

Outside of school, pupils have been receiving a variety of certificates and awards. This week we have congratulated Felix, Daisy, Oscar and James in year 5 who took part in St Andrews's 'mathematics challenge'. Zoya has been active and competed in a tennis tournament. Aliya has achieved 'Stage 7' for swimming which requires (amongst other things) swimming 100 metres using a minimum of three different strokes. She helpfully demonstrated what these strokes look like in assembly this morning 😊. Finally, we found out that Samuel has passed a beginner ski course – very brave and skilled. I have to admit I would be a little scared to attempt skiing!

Well done everyone – such breadth of skills, talents and interests.

Please check your parent mail account for an update regarding sickness.

Have a great weekend!

Faith in the Family

'I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit.' John 15:5
The fruit we bear is: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. Choose one fruit every day and try to practice it as a family, then share how it went at the end of the day. Remember that every family is unique, so do what works for you. And above all ... have fun!
