Great Barrier Reef Australia

Under the Sea Paintings by Artist David Miller

Yr1 Coral Pictures

We explored painting the colours of blue changing through the depths of the ocean. We added a collage of tissue paper to show the coral on the sea bed.

BAR

Year 1 - Fish

- We used Brusho to create our fish then the next lesson we cut out the fish and printed the sea using sculptured rollers. We added tissue paper to create the weeds and sea plants.

Year 1 - Fish

Yr2 Beach Landscape Pictures

We explored mixing and painting the colours of the sky, the sea and the beach. We explored ways of creating cloud effects by adding and taking away paint.

We drew and painted image to place on our beach landscape using bright contrasting colours.

Beachy Head Lighthouse

Other Lighthouses

Making our Lighthouses from Recycled Materials
