Holy Week

As part of Holy Week, children have been invited to participate in two interactive prayer activities. The first one reflected on our Hopes and Dreams especially in light of all that is happening now. It tied in with Jesus arriving in Jerusalem on Palm Sunday and how the Jewish people dreamed of and hoped for someone who would rescue them from the Romans. The second

reflected on the suffering surrounding the cross. Not only does the cross remind us of the death of Jesus, it has also become a sign of hope for anyone who is suffering.

We prayed for those we knew who might be sad and lonely, homeless or hungry.

Spring Photography Competition

WOW.... that took such a long time, what an incredible collection of spring photos. I've had an amazing morning (and afternoon) looking through them all. Each one has been taken with such care and each is an absolute delight to look at. I'd love to make a display in school of all the photographs together. I feel very privileged to be asked and to be able to look through them all.
