Welcome to Mrs Kate Foster our new teacher in Year 5.

I am excited to be joining St John's Meads this term in Year 5. I have taught for many years across Key Stage 2 in a large school so I am looking forward to working somewhere slightly smaller with such a lovely community feel. My passions in teaching include reading, Maths and PE.

Outside work, I enjoy spending time with my family, playing at the beach, going for walks on the Downs and camping. I also play netball for a local club.

Achievements

Michaela Wickens took part in a horse riding activity day and earned a rosette. Well done Michaela!

We are looking forward to hearing more about the children's out of school activities now that that clubs and groups have resumed. Please send in any news, along with a photo if you would like to, either to the class teacher or the school office.

Considerate Parking

Parking around the school can be difficult at the busy times of drop off and collection and we ask that all our parents and carers are considerate of the neighbours who live on Rowsley and Edensor Road. Please do not block driveways at any time as causes distress to neighbours who may need to go out or come back. This week we have had a report of such an incident when a driveway was blocked and the driver of the car was rude and wouldn't move the car when she was asked to by the neighbour who needed to get to work.

We value the support of our neighbours who are very considerate to us. Please be nice to them and respect the white lines across the driveways around the school.

Congratulations!

We are very pleased to share the very happy news that Miss Purser has had a little boy! Arriving at the end of March, he has been named Nicolas James. Miss Purser tells us that they are

all well and that his big sister is already doting on him.

Monday 19th Clubs start this week

Friday 23rd Y3 Tudor Day

Tuesday 27th Y6 Swimming starts

May 3rd Bank Holiday Monday

Year 3 Tudor Day

Year 2

Miss Tullett would like to share some fantastic examples of Year 2 pupil work based on their topic of Transport. Clearly the children have put in a lot of effort, and it shows!

LEXIA

Congratulations to all children who have continued to work on Lexia over the past few weeks, and an extra special round of applause to those who have managed to earn a certificate since last Celebration Assembly! The week beginning Monday 3rd May will be Lexia competition week. Please inform class teachers if you are having any problem logging in or accessing the program at home.

Year 4

This term Year 4 are learning about jungles and habitats. Harry Standing produced this fantastic diorama over the holidays, explaining some of the animals and layers that make up this fascinating ecosystem, which we are proud to display in the classroom!

Year 5 Forest School

Year 5 enjoying their last Forest School session, as Mrs Bettles started her maternity leave this week.
