Headteacher: Mrs Katherin Weeks

Co- Chairs of Governors: Mr Clem Jackson

Mrs Karen Fletcher-Wright

Dear Parents and Carers

As a school, we feel that effective communication with you about your child's learning and what goes on in school is vital. This has been challenging in recent times, as we cannot invite you in to school to share in what we do.

We use Weduc, a digital communication and engagement tool designed specifically to improve the way that we can share information with parents and carers.

It has a user friendly interface, including a useful 'newsfeed' feature. Access to Weduc will be via a password protected app, no information is shared publicly. In terms of safeguarding this should enable all children to be celebrated by having their experiences shared with those at home. Class teachers will be able to share photos and class news directly with parents and carers. Weduc uses the School Information Management System (SIMS) for primary parent/carers with parental responsibility only.

**Please provide confirmation that you have received this notice and your permission for the following:-**

I can confirm that I have received the notice regarding Weduc School Communication.

I agree, as a primary contact with parental responsibility, for my contact mobile telephone number and email address to be used for communication by Weduc and auto linked through the Schools Information Management System (SIMS).

I give consent for my child's image to be used in Weduc for communication purposes and I understand that access to images is via a password protected app and for school use only.
