

Maths

Fun Maths!

Games, Mathletics, TT Rockstars, Number Day (dressing up), real life contexts, practical/problem solving, e.g. use of playground.

Adaptive teaching - star challenges

Reasoning bubbles

Mastery challenge symbols

Fluency - mastering number, number facts and Times tables clubs

Stuck posters, paired working, talk partners, independent access to resources promotes independence

Interventions/additional support. Needs identified and responded to, e.g. 'live' marking

Celebrating success and effort - certificates/ rainbow awards

Applying skills to other areas of the curriculum.

Jobs that involve maths
Influential people in maths
Real life maths

Loving learning and loving one another, as God loves us.
Celebrating success in its many forms, and overcoming challenges.
Praying for, and caring for, our whole community.
Learning to live in the light of Christ, and as a light to others.

Progress planning to target areas of need/plug gaps

Sharing learning with parents, e.g. open lessons, workshops, valuing support from home

Promoting positive attitudes to maths and a 'Can do' approach

Raising money for others, e.g. Number Day

Visits to places in community which involve maths, e.g. shops, hotels, metro bank
