Introduction

Our **vision** for our Trust is we exist to:

Help every child achieve their God-given potential

Our **aims** are clear. We aim to be a Trust in which:

Developing the whole child means pupils achieve and maximise their potential

Continued development of staff is valued and improves education for young people

All schools are improving and perform above national expectations

The distinct Christian identity of each academy develops and is celebrated

Our work as a Trust is underpinned by shared **values**. They are taken from the Church of England's vision for Education and guide the work of Trust Centre team. They are:

Aspiration

I can do all things through Christ who strengthens me
(Philippians 4 vs 13)

Wisdom

Listen to advice and accept discipline, and at the end you will be counted among the wise
(Proverbs 19 vs 20)

Respect

So in everything do to others what you would have them do to you
(Matthew 7 vs 12)

Our vision of helping every child achieve their God-given potential is aligned with the Church of England's vision for education and is underpinned by the Bible verse from John: *I have come that they may have life, and have it to the full.*

The School's Vision is:

Loving learning and loving one another, as God loves us.

Celebrating success in its many forms and overcoming challenges

Praying for and caring for our whole community.

Living in the light of Christ, and as alight to others.

1. Policy Aims

The aims of DCAT, as the employer, is to train and support our ECT's for the future quality and leadership of teaching in the Trust. DCAT aims to:

- Run a ECT induction programme that meets all the statutory requirements
- Provide ECTs with a supportive environment that develops them and equips them with the tools to be effective and successful teachers
- Ensure all staff understand their role in the induction programme

At St John's Meads, the Headteacher is responsible for the management of the ECTs and ensuring they are supported by an appropriate member of staff.

2. Legislation and statutory guidance

This policy is based on:

- The Department for Education's (DfE's) statutory guidance [Induction for early career teachers \(England\)](#) from 1 September 2021
- The [Early career framework reforms](#)
- [The Education \(Induction Arrangements for School Teachers\) \(England\) Regulations 2012](#)
- [Early career teacher induction: COVID-19 absence exemption](#)

The 'relevant standards' referred to below are the [Teachers' Standards](#).

3. The induction programme

The induction programme will be underpinned by the ECF, enabling ECTs to understand and apply the knowledge and skills set out in the ECF.

Prior to the ECT serving their induction, the headteacher and appropriate body must agree that the post is suitable.

For a full-time ECT, the induction period will typically last for 2 academic years. Part-time ECTs will serve a full-time equivalent. Up to one term of continuous employment may count towards completion of the induction period.

The programme is quality assured by Step Ahead Teaching School Hub, our 'appropriate body'.

4.1 Posts for induction

Each ECT will

- Be provided with the necessary employment tasks, experience and support to enable them to demonstrate satisfactory performance against the relevant standards throughout, and by the end of, the induction period
- Have an appointed induction tutor, who will have qualified teacher status (QTS)
- Have an appointed induction mentor, who will have QTS
- Have a reduced timetable to allow them to undertake activities in their induction programme; in their first year, this will be no more than 90% of the timetable of our existing teachers on the main pay range,

and in their second year, this will be no more than 95% of the timetable of our existing teachers on the main pay range

- Regularly teach the same class or classes
- Take part in similar planning, teaching and assessment processes to other teachers working in similar posts
- Not be given additional non-teaching responsibilities without appropriate preparation and support
- Not have unreasonable demands made upon them
- Not normally teach outside the age range and/or subjects they have been employed to teach
- Not be presented with unreasonably demanding pupil discipline problems on a day-to-day basis

4.2 Support for ECTs at St John's Meads

At St John's Meads, the Headteacher is responsible for the management of the ECTs and ensuring they are supported by an appropriate member of staff.

We support ECTs with:

- Their designated induction tutor, who will provide day-to-day monitoring and support, and co-ordinate their assessments
- Their designated induction mentor, who will provide regular structured mentoring sessions and targeted feedback
- Observations of their teaching at regular intervals, and follow-up discussions with prompt and constructive feedback
- Regular professional reviews of their progress, to take place termly, at which their induction tutor will review objectives and revise them in relation to the relevant standards and their current needs and strengths
- Chances to observe experienced teachers, either within the school or at another school with effective practice

4.3 Assessments of ECT performance

- Formal assessment meetings will take place in the final term of the ECT's first year (term 6) and the final term of their second year (term 6), and will be carried out by the ECT's induction tutor.
- These meetings will be informed by clear and transparent evidence gathered from progress reviews during the preceding assessment period, and drawn from the ECT's work as a teacher and from their induction programme. Copies of the evidence relied on will be provided to the ECT and the appropriate body.
- After each formal assessment meeting, a formal assessment report will be completed that clearly shows how the ECT is performing against the relevant standards. The headteacher will also recommend to the appropriate body in the final assessment report at the end of the programme as to whether the ECT's performance is satisfactory against the relevant standards.
- The ECT will add their own comments, and the formal assessment report will be signed by the headteacher, induction tutor and the ECT.
- A copy of the formal assessment report will then be sent to the appropriate body. The final assessment report will be sent within 10 working days of the meeting, for the appropriate body to make the final decision on whether the ECT has passed their induction period.

- In the event that the ECT leaves this post after completing one term or more but before the next formal assessment would take place, the induction tutor or headteacher should complete an interim assessment to ensure that the ECT's progress and performance since the last assessment is captured.

4.4 At-risk procedures

If it becomes clear during a termly progress review or at the first formal assessment point that the ECT is not making sufficient progress, additional monitoring and support measures will be put in place immediately, meaning:

- Areas in which improvement is needed are identified
- Appropriate objectives are set to guide the ECT towards satisfactory performance against the relevant standards
- An effective support programme is put in place to help the ECT improve their performance

The progress review record or formal assessment report will be shared with the appropriate body, alongside the support plan, for it to review.

If there are concerns about the ECT's progress during their subsequent progress reviews or formal assessment, as long as it is not the final formal assessment, the induction tutor or headteacher will discuss this with the ECT, updating objectives as necessary and revising the support plan for the next assessment period.

5. Roles and responsibilities

5.1 Role of the ECT

The ECT will:

- Provide evidence that they have QTS and are eligible to start induction
- Meet with their induction tutor at the start of the programme to discuss and agree priorities, and keep these under review

- Participate fully in the monitoring and development programme

- Agree with their induction tutor the start and end dates of the induction period, and the dates of any absences from work during the period (noting that until 1 September 2022, absences due to coronavirus – in the form of school closure, sickness or self-isolation – will not count towards the 30-day absence limit that would extend their ECT induction)
- Keep copies of all assessment reports

When the ECT has any concerns, they will:
