

### Literacy

This term we will begin our phonics journey by learning single sounds. Using our phonics programme *Jolly Phonics* we will learn how to say, recognise and write these sounds. We will also begin to blend simple three letter words, known as CVC words (consonant, vowel, consonant).

This term we will also start to recognise and write the letters in our names.

### Personal, Social and Emotional Development (PSED)

This term, our main focus is settling into our new school and classroom. We will be completing lots of activities to get to know our new class and teachers.

We will also think about school rules and routines and how we can look after and respect our new environment.

### Religious Education

This term we will be exploring the topic of Creation by thinking about the question, 'Why is the word 'God' so important to Christians?'

## Reception - Term 1

### Understanding the World (UTW)

This term we will be exploring our environment, thinking about observations we can make such as changes in autumn.

We will also be learning about Harvest and will take part in our school Harvest Festival.

### Maths

This term we will be exploring the topic 'It's me 1, 2, 3'.

We will be thinking about how to recognise, match, order and explore the composition of each number. We will also look at concepts such as one more, one less and weight.

### Physical Development

This term we will be looking at Dance as part of our indoor PE session. We will be exploring ways to move around the space and how to create shapes and movements with our bodies.

In order to prepare for writing, we will be completing lots of gross and fine motor activities in our classroom environment to strengthen our hands and muscles.
