

## English

In English this term, we will be writing character descriptions, diary entries and poetry, inspired by our class text The Miraculous Journey of Edward Tulane by Kate DiCamillo.

## Spanish

In Spanish this term, the children will be learning to listen to and retell a traditional tale in Spanish.

## Religious Education

In RE this term, the children will be learning about Sikhism. They will be learning about the Gurus and will explore the question "How does the teaching of the Gurus move Sikhs from dark to light?"

## PSHE

In PSHE this term, the children will be learning about dreams and goals.

## Mathematics

In Maths this term, the children will continue to develop their knowledge and understanding of multiplication and division, before moving on to length and perimeter and fractions.

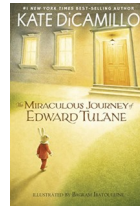

Later in the term, children will complete another Multiplication Table Check Test in preparation for their formal assessment in Term 5. I will update you on their result in due course.

## Humanities

In Geography, the children will be learning map skills, including using lines of latitude and longitude to locate places on a world map.

In History, the children will be learning about the Maya Civilisation.

## Around the World and the Mayas!

## Year 4 Term 3

## Physical Education

In PE, the children will be doing dance and games.

In dance they will be learning to include jumps and different body shapes and link movements together to form a sequence.

In games, the children will be making their own game and learning how to play games tactically.

## Forest School

In Forest School, the children will be learning to use a range of tools.

## Science

In Science, the children will be learning about sound, including how it is made, how it travels and how we hear it.

## Creative Arts

In art, the children will be making their own Mayan masks using a range of techniques including paper Ma-che, relief and embellishing.

In music, the children will be learning to play recorders. They will develop their skills in reading music and identifying notation.

## Computing

In Computing, the children will be learning all about collaborating and communicating online, including how email works and how to add attachments.
