# **Cross Country Runners**

Well done to Ted, Archie, Edward and Mollie, who qualified to take part in the South Downs Area School Games Cross Country Finals on Wednesday. They all did brilliantly against runners from Eastbourne, Hailsham, Lewes, Ringmer, Seaford, Peacehaven and Newhaven.

Ted came 18<sup>th</sup>, Edward 15<sup>th</sup> Molly 13<sup>th</sup>, and Archie 1<sup>st</sup> in their races. They showed great perseverance in the sunshine, and mud, and we are very proud of their achievements!

# **NSPCC Number Day**

We will be celebrating NSPCC Number Day on Friday 2nd February.

We would love the children to dress up in number/maths inspired costumes for the day. This could be as simple as a top with a number on it or something with a repeating pattern that they already own, or you could try embellishing an old top with a maths design. Be as creative (or low key) as you'd like! Please see the recent Weduc for more information, and the photo for inspiration!

# <u>Chinese New Year – Menu Change</u>

We will be celebrating Chinese New Year with a themed menu on Thursday 8 February. If you would like to book a meal for that day, please do so in the usual way on ParentPay as the menu change will be reflected on there.

# Have your say on the East Sussex Local Transport Plan

Consultation 27 November 2023 - 25 February 2024

WALK CYCLE BUS TRAIN CAR

Your East Sussex Journey
The Local Transport Plan 2024-2050

We want you to have your say on the future of transport in the County.

The draft East Sussex Local Transport Plan 2024 - 2050, sets out how we will plan and provide transport for people taking every day journeys in East Sussex, which include getting to school, work or for leisure, now and in the future.

The plan recognises factors that are important for journeys to school such as enabling safer and more accessible journeys, the benefits to health and wellbeing from more active travel, even if this is part for part of your journey or being undertaken on certain days of the week.

Many of you will often be combining the school run with other journeys, so undertaking multiple trips, to get to work or for other purposes, so the plan recognises the importance of having a connected transport network.

To take part please select this link and complete the consultation questionnaire <a href="http://eastsussex.gov.uk/DraftLTP4">http://eastsussex.gov.uk/DraftLTP4</a>
