The Friends

Local Holiday Clubs, Events and Offers

Holiday food and fun is back for the Easter holidays! [East Sussex Holiday Activities and Food Programme · Eequ](#)

Otherwise known as the HAF programme, this initiative is funded by the Department for Education and is now in its fourth year. It is all set to provide more enriching activities this Easter, free of charge for children who receive benefits-related free school meals. The programme ensures that children can have fun, eat healthily, and socialise with their peers during the school holidays of Easter, Summer and Winter.

There are activities for young people in Reception to Year 11 inclusive. A meal is provided at each session for everyone who attends. To see what's on offer and to book a session, parents should click on the 'List of holiday clubs' button on our [Holiday food and fun webpage](#).

Last year we had some amazing feedback from families. Here's a sample of what they said:

Parent/ carer comments:

- They came home happy and exhausted from their day but were excited to go back for more!
- My child had the best day. He usually gets extremely anxious, he didn't know anyone but everyone was so welcoming. He felt at ease straight away. The activities were brilliant! As soon as he came out, he asked when he can go back and see his new friends!
- My daughter goes in happily and is so proud of everything she makes. She still has everything she made from the summer club on display in her room. Her confidence astounds me for her age. She certainly feels safe and loves going to this club.

Young people's comments:

- I loved the food and it was fun to have something to do in the day where I feel safe. (Young person aged 13)
- They have lots of creative stuff to do. (Young person aged 7)
- Best time ever, definitely want to go again. (Young person aged 8)

For families that do not currently receive benefit-related free school meals but think they may be eligible, please visit our [Free school meals webpage](#) to find out how to apply.

Best regards,
The HAF team, Children's Services
